

Karen Lorre

KEYNOTE SPEAKER

Enchanted Empowerment

Using The H.E.A.R.T. Approach

In today's fast-paced world organizations of all sizes, face the challenges of employee fatigue and burnout. Karen Lorre delights in uplifting and empowering your workforce, so they are elevated, more connected, and more productive.

As an actress who has appeared in over one thousand hours of TV and film and an International Best-selling author of 3 books, Karen has been speaking on stages for more than 30 years.

An enchanting storyteller, she is passionate about inspiring people to be their very best. Karen will engage, move, uplift, and tease-out your audience's unique capacities. She creates a bond with the audience that frees them to embrace their ability to connect to their own true power.

Karen says, "Let's divorce the thoughts we married that we never should have gone to coffee with!" If you want the unique genius of your workforce to emerge and be more productive, then you need Karen Lorre on stage at your next event!

"Karen Lorre's love radiates to you. You can trust that she is the real deal."

– Deepak Chopra

"Karen's vision, outlook and intentions in creating a happier and healthier world are an inspiration and a practice for manifesting self-empowerment. For an antidote to the pain of today's world of personal and global chaos, hire Karen Lorre."

– Bruce H. Lipton, Ph.D.

Cell biologist and author of the bestselling
The Biology of Belief, Spontaneous Evolution (with Steve Bhaerman) and
The Honeymoon Effect.
